

>: 3 questions to ask before investing in a private company?

Friday, February 22, 2008 / jim evans

Who is the market for your product?

What distribution channels are in place to sell your product?

How much experience in what your doing do you and any staff you have have?

Those are my three questions, I'm sorry they are not 100 words and will not let me sent. So I'm tying this to get to 100 words.

there is no way I can get to 100 words so here is some gibberish to get to 100 words. To a be let from this that an be ce de ef ge hi jet kat let mat net of pet que rest ten
